Therefore, please govern your activities and work zones to ensure safe accommodations for pedestrians and protesters that may be close to, or inside your designated work zones.

Additionally, as a reminder, please ensure that your respective construction site/project/work zone is securely closed and all materials and equipment, such as bricks, concrete, barriers, tools, etc., are secured within your locked worksite. **More specifically, anything within your permitted work zone or traffic control plan that can possibly be used as a projectile should be removed from the public space area and out of immediate reach of the public at the close of each business day.**

Questions may be directed to Stacey Collins, Chief Inspections and Enforcement Officer, via email at Stacey.Collins@dc.gov. If you have any immediate questions, issues or concerns please feel free to contact DDOT at (202) 442-4670.
